DEC–JAN

(67–68)

RECENT A.R.E.C. ACTIVITIES

FOLK FAIR CAVELCADE
Sat. 28 Oct.
From Pabst Brewery "Blue Ribbon Hall" to Milwaukee Auditorium. Refreshments were served for all at the Brewery before and after the parade. AR

HALLOWEEN EXPRESSWAY WATCH
Tue. 31 Oct.
For Milwaukee County Sheriff. Base station at Sheriff's office and 13 mobiles with 2 operators in each. AR

U. W. M. HOMECOMING PARADE
Fri. 10 Nov.
Parade eastbound on Wisconsin Avenue. Was rather disorganized due to parade officials not informing either A.R.E.C. or police of all their plans. While we were waiting at 15th St. for the parade to start, units at 13th St. were already marching down the Avenue. AR

VETERAN'S DAY PARADE
Sat. 11 Nov.
This was the first parade where the A.R.E.C. suggestion of using golf carts were used. Seven carts with 2-meter FM handie-talkies were patrolling the route and were able to move in to correct porblems as they came up. AR

All Milwaukee AREA A. R. E. C. functions are on 146.670 mcs. wide-band FM. If you do not have a mobile or handie-talkie, don't worry. We always need second operators for the mobiles and we have extra handie-talkies for you to use. Contact either K9KJT or W9ATK for more information. AR

Support the PUBLIC SERVICE aspect of our hobby, the AMATEUR RADIO SERVICE by joining N.T.S. and/or A.R.E.C. AR

FCC has adopted, essentially as proposed Docket 17377, revised rules for identification of amateur stations. In effect tailending will become legal on 15 Jan. 68 when the rules will require the identification of both stations only at the end of a QSO. Also, mobile and portable stations need only indicate the call area of operation, rather than the geographical location now required on phone.

Seepage 83 of June 67 QST, or forthcoming Jan 68 issue for details AR

Through the kindness of the Detroit Amateur Radio Association we are reproducing a chart that appeared in the October issue of "THE NEWS". Keep it near your operating position until you become familiar with the new rules. AR
